RHONDA NEWTON

Rhonda joined Darkness to Light in September 2020 as the team's Director of Curriculum Design. In this role, she is responsible for advancing the scale and impact of Darkness to Light's prevention work by increasing the current course catalog of adult-focused training. She assesses new technologies, researches adult learning trends, and works with a variety of stakeholders across departments to analyze requirements needed to meet learning objectives and behavior change targets.

Rhonda brings with her over a decade of experience as an educator, curriculum specialist, and instructional designer at both the K-12 and university level. She has her B.A. in French and Spanish, an M.Ed. in Learning and Technology, and her Ph.D. research is centered around game-based learning and prosocial skill development.

Rhonda is a passionate individual with a personal mission to create safe, welcoming spaces for all individuals, whether that is virtually or in real life.
