

WELCOME TO THE SAN JOSE CONFERENCE.....

Before we begin, let's all settle comfortably for a few minutes to catch up on the comings and goings of our friends.....

IRENE BLACK, Registrar at Walla Walla College is killing three birds with one stone this November---attending the convention, visiting a sister in San Jose, and meeting with alumni of Walla Walla College in Mountain View, California. Sounds like a real reunion all the way around. As she says, "It will never happen again in a long time!"

F. WESLEY WALLS has just returned to his position as Registrar at Seattle Pacific College after two years in the military service. Recalled to active duty as an army chaplain, he served on the front line in Korea for 13 months. "It's splendid to be back in this wonderful country again," he notes. Glad to have you back with us! You probably have some interesting notes to share with your fellow registrars.....VIRGINIA B. SMITH who was Acting Registrar while Wes was with the armed forces, is now doing research on a labor problem here in the Bay Area.

LYLE H. JOHNSON, Registrar at Eastern Oregon College of Education, is also serving as Director of Student Personnel. He writes, "I am enjoying the work a great deal and think it is an excellent combination of duties at a small institution such as this."

HAROLD B. JORY, Registrar of Willamette University, took three months leave of absence last Spring to serve as Deputy County Superintendent of Schools of Clark County, Washington. Besides his regular work in the County Superintendent's office, he conducted a testing program in the Elementary Schools of the County.

R. E. LIEUALLEN, Registrar at Oregon College of Education, reports his wife is expecting NUMBER FOUR late in February. He is also expecting to begin a 12 month sabbatical in July of 1953.

SISTER MARY ALBERTA, Registrar at Mt. Angel Women's College, writes, "Administrative officials here are enjoying the use of a new office suite. It is a part of the \$300,000 classroom and office building which has been added during the past year to our college facilities. Of special interest to registrars is the specially constructed fireproof vault with built-in files and shelves."

A new-comer to the conference this year will be Mrs. EISAL E. BRANTLEY, Assistant to the Registrar at Southern Oregon College for five years.....MABEL W. WINSTON, Registrar at Southern Oregon, spent four months this summer on what she describes as "a maiden voyage to Europe to do ten countries once over lightly, mostly by air." Sounds like great fun! Tell us more about it!

CLIFF CONSTANCE, Registrar at University of Oregon, and D. T. ORDEMAN, Registrar at Oregon State College, worked with four Easterners this summer and fall on a national handbook in preparation for a decisive committee meeting in Chicago early in December. They hope for publication within the year.

This last June 1, CHARLES E. LAUER succeeded WAYNE DURRELL as Registrar for the University of Portland. DURRELL is now Director of Admissions. LAUER has been in the mathematics department of the University of Portland since 1941. Previous to that he taught at Columbia Preparatory School for 11 years. He graduated from the University of Washington, is married, and has five children. LAUER is bringing his wife to the convention and they are both looking forward to meeting fellow members of the Association.

HOWARD IMPECOVEN fills the newly created position as Registrar at the Oregon College of Education's General Extension Division in Portland. He has served in the past as Registrar at Multnomah College before receiving his doctorate at the University of Oregon.

CLARENCE E. BYRD is the new Registrar at the University of Nevada. He was formerly Assistant Registrar and Director of Admissions, a position he still holds. BYRD succeeded JEANETTE C. RHODES who served as Registrar for 15 years.

From far-away Missoula, LEO SMITH, Registrar at Montana State University offers his service as house-builder and mountain guide. LEO built a new room on his house all by himself----carpentry, plumbing, etc. About the middle of October he and two companions took off along the north fork of the Blackfoot River to hunt elk. After stumbling along mountain trails in the dark for an interminable length of time, they bagged two cows and a calf. If any fellow registrars are interested in a low-cost vacation next October, he suggests hunting in Montana. The non-resident hunting fee is only \$100, which LEO is sure would mean nothing to a registrar or an admissions officer. (HMMMMMMMM!) He will be happy to act as an experienced guide. We'll keep it in mind, LEO.

For a tale of a fast-moving office, lend an ear to Registrar MALLALIEU A. WILSON of Northwest Nazarene College-----"Mrs. WANDA McMICHAEL, Assistant Registrar for the past four years, has recently resigned to move to Portland, Oregon, where her husband has entered law school. Mrs. DAPHNE MCGREGORY, Valedictorian of the Class of '52 at NNC, is taking her place for this year. She worked part-time in the office during her four years of college. Unfortunately, Mrs. MCGREGORY will also leave to follow her husband when he graduates from college next June." WILSON continues, with a groan, "Besides my teaching duties, I will have to go back to work in the office next year until I can train a new assistant. My next assistant," he vows, "will be a man."

DON D. DESAUTT, Registrar at the University of Idaho, finally got rid of his crutches. He was knocked off a ladder while trimming trees this summer and broke both bones in his right leg. DON denies he was sitting on a branch and cut off the wrong side. He also had a pleasant visit from LEO (the hunter) SMITH this summer. LEO and his family stopped over to see the new U of I office buildings to get some ideas for a new office building they hope to build at the University of Montana in the not too distant future.

ALFRED THOMAS, JR., Registrar and Director of Admissions at Arizona State College is President elect of the Kiwanis Club of Tempe. Congrats!

Another foreign traveler this summer was MARY ELLEN DICKSON, Registrar at Chapman College. She visited schools and talked with many students who are looking forward to advance education in America. She writes, "I think the Taj Mahal was the most inspiring sight of the trip." For an idea of life aboard ship, she added, "The 70 days on the S. S. President Polk were both restful and exciting----especially when a sailor fell overboard and was rescued in 31 minutes." Sorry you won't be able to attend the Convention this year, MARY ELLEN. We would like to hear more!

ELMER C. WAGNER, Assistant Registrar at Stanford University, has been promoted to Associate Registrar.

KATHRO FRANK, former Dean of Women at Placer College, is the new Registrar and Dean of Students there. She succeeds GORDON ARLETT who is now District Superintendent and Principal of the Roseville Joint Union High School.

ORIN K. OWEN, Director of Admissions at Golden Gate College, is very happy about the arrival of his first and second grandchildren. We are expecting to hear more from him about the little ones.

PAUL WRIGHT is the new Registrar at the University of California, Santa Barbara College. DR. WRIGHT was formerly Registrar of Westmont College in Santa Barbara. WILLARD HARLEY has taken over as Registrar at Westmont.

H. C. WILLETT, former Director of Admissions and Registrar at the University of Southern California, and our genial toastmaster at the Santa Barbara meeting last year, is now a member of the Board of Education of the City of Los Angeles.

HERBERT A. WALLS, JR., is in his first year as Associate Registrar on the Los Angeles campus of the College of Medical Evangelists. He writes of his previous experiences, "In June I returned from a term of service in India where I was the Registrar at Spicer Missionary College, Ganeshkhind, Poona, India. Problems there and problems here are different, but there are problems in both places. The students on either side of the world seem to be about equally anxious to get a good education in order to better prepare themselves for service." WALLS received his bachelor's degree from Washington Missionary College, Takoma Park, Washington, D. C., with a major in secondary education, and a Master of Education from Boston University.

ELLEN L. DEERING, Registrar at College of the Pacific, and a past-president of PCACR, was honored last month by the Sacramento Branch of the National League of American Pen Women at a tea in Sacramento's Crocker Art Gallery. MISS DEERING is Northern California President of the National League of American Pen Women. Among the guests were such registrar friends as JAMES O. BOOKER, GUY ASHLEY WEST, former Registrar at Chico State College, and now President, Sacramento State College; and J. PAUL MOHR, former Registrar at San Francisco City College, and now President of Sacramento Junior College.

Other former registrars who are now serving as college presidents are DR. J. J. COLLINS, President of Yuba College; and DR. ROBERT E. BURNS, President of the College of the Pacific.

MICHAEL J. BRICKLEY, Registrar at Sacramento Junior College is very proud that a half-page photograph of his assistant MARY CRANE appeared in a recent Sunday issue of the Sacramento Union. She is one of the officers of the Sacramento Opera Guild....Incidentally, MIKE took time off to listen and see in person all the U. S. Presidential aspirants. Did you?

SISTER MARY LORETTO is the newly-appointed Registrar at the College of Notre Dame. The College is in the process of expanding from a junior to a senior college. They will have their first graduating class in June of 1953. As part of the expansion program, three new buildings have been completed---a new classroom building with an administrative annex, a residence hall to accommodate 105 students, and a new library and cafeteria.

Another traveler abroad this summer was PEG MAPLE, Registrar at Pomona College. She went to England after the Registrar's meeting in Washington.

Speaking of the Washington meeting---while all were enjoying themselves at the White House, ESTHER N. MERTINS, Recorder at the University of Redlands, was "resting" in the hospital with five broken ribs. She is happy to report the ribs are now mended and she is looking forward to seeing all the gang here in San Jose. . . . WARREN MILD, Director of Admissions at the University of Redlands now is the proud father of a baby girl, newest addition to his family of two boys.

ROBERT C. ROCKWELL, Fullerton Junior College Registrar, in looking forward to the convention, says, "The added pressure of the Korean War Veterans plus the doubts arising from the 'dictates' of the selective service all contrive to make my duties more burdensome, if perhaps, not more thrilling."

L. L. WINDMILLER, Registrar at Stockton College, reports he is fast becoming accomplished as an amateur international banker and small projects engineer. It seems that he is helper first class to his wife GLADYS' classes and lecture-demonstrations of flower arranging. He also reports that his son MARSHALL is now working on the first year of a two year study of Indian Government and Politics on a Ford Foundation grant. This year MARSHALL studies Telegu and Hindi at the University of Pennsylvania and next year he and his wife go to Madras in Southern India to study recent political developments.

NORMAN JACOBS, Director of Admissions at Sacramento State College last year, has returned to Stanford to finish the work on his doctorate. DON ALBRIGHT is the new Director of Admissions. DON raced the stork this fall from the registrar's office of Drake University. The stork came in a slow second early last month with a new baby boy.

E. A. McDERMONT, Registrar at Riverside College, had a pleasant summer spending several weeks at the National Convention of the American Association of Junior Colleges in Boston and visiting campuses between California and New England. He says that at Riverside, like other junior colleges, they are having trouble focusing their bi- or tri-focal lenses on the complex antics of the Selective Service Board. Sounds familiar, doesn't it?

BILL POMEROY, Registrar, and ED LAZIER, Associate Director of Admissions, and their respective staffs are occupying spacious new quarters in the recently completed addition to the Administration Building on the Los Angeles campus of the University of California. From all reports, the offices, on both the ground floor and main floor, are fully equipped and modern in every detail---including a pneumatic tube (which doesn't always work) for transportation of file material between the two offices.

From our Second Vice-President, CLARENCE R. BERGLAND, Admissions Officer, Long Beach State College, comes word that our active membership list is growing--- latest total 159. The eight latest members are: Phoenix College, Phoenix; Los Angeles Trade-Technical Junior College, Los Angeles; Humphreys College, Stockton; San Diego State College, San Diego; Yuba College, Marysville; Palomar College, San Marcos (Washington); Riverside campus of the University of California; and St. Edward's Seminary, Kenmore (Washington).

We've noticed a number of incomplete addresses and titles in the list of PCACR members. Let's all keep our secretary up to date.

We hear Mr. WOOD of British Columbia will be here. A real faithful of the PCACR.

We are wondering how Registrars on the East campus of Contra Costa keep up with the West campus. Do you have little PCACR meetings there?

HERMAN "GOLF" SPINDT, Director of Admissions at the University of California, Berkeley, is still out looking for a partner to do some plain and fancy golfing. Also any good cribbage players.

It's good to see so many Washington and Oregon people here. Let's follow them to their respective states when the meetings go up their way.

TO: INTERCOLLEGIATE REGISTRARS AND OFFICERS OF ADMISSION - 52-1069
(Sophomores, Juniors, Seniors and Graduates)

FROM: HOSPITALITY COMMITTEE, PCACR

RE: FRESHMEN REGISTRARS AND ADMISSION OFFICERS (Identified by
green badges)

All you Intercollegiate Registrars and Officers of Admission-
Listen!

There has long been a suspicion

That the everlasting mission

Of us Intercollegiate Registrars and Officers of Admission

Is to elevate tuition.

(A most vicious and pernicious supposition.)

We have arithmetic habits

We can multiply like rabbits

Which is why we're glad to see each new addition

But we're speaking not of money

We mean every bright and sunny

Little Intercollegiate Registrar and Officer of Admission

Who is new and therefore due for recognition.

If you'd indicate elation

At our increased registration

Ask the boys and girls to share in some nutrition.

If you pay for all the checks

They will gladly pay respects

To you Intercollegiate Registrars and Officers of Admission,

Members sturdy, of a wordy old commission.

November 9, 1952

Welcome to San Jose:

We hope that you will enjoy your visit. Your fellow delegates who wear the "PCACR Host" badges will be glad to help you if you have any wishes or needs.

Your PCACR Convention Program is enclosed. If you do not wish to participate in all activities scheduled, perhaps the following suggestions will be helpful:

Recreation Room

The Hotel management has promised to open a room on the second floor for the use of PCACR members and visitors who would like to gather for an informal social evening. The room number has not been determined as yet, but we will ask to have it posted on the bulletin board in the downstairs lobby. There will be a piano, and card tables. Remember the fun we had at our informal social evening last year at Santa Barbara? We want you to have the same fun at San Jose. We are sorry that we have no ping-pong, shuffle-board, etc., to offer here.

Eating Places

If you would like to vary your breakfast and luncheon fare a bit, the following places are suggested:

Near the Sainte Claire:

O'Brien's, 223 So. First St.

Voight's, 165 So. First St.

Andree's Drive-In, Cor. San Carlos &
Almaden (1 block west of Hotel)

Cafe Chalet, 37 W. San Carlos St.

Mauer's Cafeteria, 175 So. First St.
