1962 Conference News

36th ANNUAL CONFERENCE, NOVEMBER 4-7

Issue No. 4
November 6, 1962
Fellow P.C.A.C.R.A.O. Members:

Today will end an inspiring conference! The program was well prepared and presented by each and every participant, something new was added to each section panel, and many exciting points of view in college and university administration were discussed. We are grateful to our fifteen guest panelists and speakers who were with us during our stay here in beautiful Monterey.

The association gives a thunderous applause to Art Sammis, Merle Quait, Herb Warne, Ed Aubert, Bob Williams, Hobart Lovett, Ellen Deering, and Harry Jones and their committees for the integral role they played in the success of the program. Bouquets go to Louise White and Mary Jane Learnard for the overall organization of our 1962 conference.

This was the largest conference registration in the history of PCACRAO Conferences. Wives or husgands and children of members made this a real family affair. The weather was unexcelled.

Let's all come to San Diego next year and bring a fellow Registrar or Admission Officer with you. See you there.

Howard B. Shontz
President
Apologies in Order

In the last issue of Conference News, we referred to Miss Ellen Deering's guest from the University of Bagdad as Mr. Faiza Al-Najjar. Please forgive us Miss Al Najjar.

Members Please Note

El Camino College in Southern California (12,500 enrollment) has one distinction not claimed by any of the other 70 junior colleges in California - it has its own post office. Should you desire insurance of direct delivery of mail to El Camino College, be sure to address your envelopes to El Camino College, California, not El Camino, California, a community in Northern California.

Conference Registration Sets Record

As this issue of Conference News goes to press, 218 PCACRAO members and guests have registered for the Monterey Conference. This total includes 28 new members of the Association and represents the largest registration of the 36 Annual Conferences held to date.
