PACRAO AUDIT COMMITTEE DESCRIPTION AND PROCEDURE
(Revised October 31, 2014)

AUDIT COMMITTEE PURPOSE
To provide assurance to the membership of the Pacific Association of Collegiate Registrars and Admissions Officers (PACRAO) that the Association’s financial transactions are appropriately maintained, an Audit Committee shall be appointed by the Nominations and Elections Committee (N&E) to review the Association’s financial practices.

AUDIT COMMITTEE MEMBERSHIP
The Audit Committee is a standing committee comprised of two members. The N&E will solicit nominees for membership on the Audit Committee and will appoint members from among the nominees. Initially, one member is appointed for one year who serves as Chair and one member for two years who serves as Secretary the first year and as Chair the second. Thereafter, one member is appointed each year for two years, serving as Secretary the first year and Chair the second. Each member of the Audit Committee must be independent of other duties within PACRAO. Therefore, no member of the Audit Committee may hold any other elected or appointed position within the Association as an officer or as a member of any other standing committee for the duration of their service on the Audit Committee.

The PACRAO President-Elect will inform the new member(s) of the Audit Committee of their appointment, will secure a commitment from the new member(s) to attend the annual conference during their membership, and will facilitate an initial meeting or teleconference so the Audit Committee members can become acquainted and review their duties.

In the event of an Audit Committee member resignation or inability to fulfill duties, a replacement may be appointed by the N&E committee.

AUDIT COMMITTEE SCOPE
The Audit Committee will review procedures followed by the PACRAO Treasurer and by the Local Arrangements Committee Treasurer in the receiving and disbursing of funds and in the maintenance of financial records. Based on the review, the Chair of the Audit Committee will prepare a written report for the Executive Board of findings and recommendations regarding PACRAO’s financial operations.

AUDIT COMMITTEE RESPONSIBILITIES
The Audit Committee Chair will coordinate with the Executive Board to determine a day, time, and place for an initial audit meeting and any subsequent meetings; will notify the Secretary of the Audit Committee of the day, time, and place of the meetings; will conduct the meetings; may assign pre- or post-meeting tasks to the Secretary; and, with contributions from the second Audit Committee member, will assemble and submit the annual report on PACRAO stationary to the President-Elect by May 31 prior to the summer meeting of the PACRAO Executive Board. This report will be posted as an addendum to the Minutes of the Summer Executive Board Meeting and to the financial document section of the PACRAO website. At the annual Business Meeting, a verbal summary of the report will be presented by the Audit Committee Chair, or the Chair’s designee, and an update will be provided on the resolution of any recommendation or finding.
The Audit Committee Secretary will take notes during all audit meetings to record findings made in preparation for a meeting, made during a meeting, or action items to be completed by Audit Committee members following a meeting. The Secretary will distribute these notes following all meetings for review by the Audit Committee Chair.

**AUDIT COMMITTEE MEETINGS**
The Chair of the Audit Committee will convene the Audit Committee at a time when the PACRAO Treasurer and the LAC Chair or LAC Treasurer, if one is appointed, can make available to the Audit Committee their respective checkbooks, bank statements, invoices, receipts, and other financial statements or supporting documentation regarding financial transactions for the preceding fiscal year. The Treasurers will also, at a time to be arranged, make themselves available to the Audit Committee to answer questions regarding their respective financial records or procedures.

The Audit Committee will sample the following items:
- Membership dues against deposits.
- Receipts against deposits.
- Invoices received against checks.
- Checks and deposit slips against bank statements.
- Financial statement balances against bank statements.

This sampling will allow the Audit Committee to determine the general condition and organization of the financial records to determine if PACRAO’s financial operations are well-managed and to make recommendations to the Executive Board for the improvement of financial operations within PACRAO.

The Audit Committee will be provided with the most recent Treasurer’s report and the most recent external Compiled Financial Statements.

The Audit Committee will also review financial reports posted to PACRAO’s website to determine if recent and understandable information is available to the membership.

In the course of the Audit Committee’s review, the Committee may also consider the budgetary processes within PACRAO and may discuss and report upon issues which could make financial planning or transactions within PACRAO more transparent, understandable, or easier to manage.

The Audit Committee will also review this document annually so that it might be improved for the benefit of the next Audit Committee.
