

# Northeast Texas Counseling Association Professional Development Grant Application

The NETCA Professional Development Grant provides up to \$250 to individuals who have been members of NETCA for at least 12 months prior to application. The Scholarship/Professional Development Committee reviews and approves applications for the grant, and reserves the right to decline giving an award(s) in any year, if suitable application(s) is/are not received, as determined by the Committee.

## Purpose:

Grants are awarded to help offset (1) course work toward completion of a graduate degree; (2) activities such as original research, conference attendance or specialized study; (3) other professional development or continuing education activities.

## Procedures:

Submit this form and on a separate sheet, provide the following information:

1. Describe the activity and how it matches one or more of the designated areas as stated above.
2. Describe how this activity will impact the counseling profession, the applicant's professional growth, and/or the general public.
3. Describe how this funding will be specifically used. Include a timeline for initiating and completing the activity.
4. Describe how the results or information gained will be used and/or disseminated.
5. Submit documentation on the actual use of the award to the committee and prepare a presentation for NETCA membership no later than no later than twelve (4) months after the award is given.
